# EMA-BIA

**EMA-BIA** is a new italian brand that was born in 2018 from a project related to the **use of silk** of the **family company** based in Como, present in the field of production of silk fabrics for over 40 years in particular, has developed **designs** and experiences in the **printing of natural fabrics** that have generated a **unique and articulated know-how**.

The presence of a vast archive of **silks** of various types of the highest quality with **infinite variations of designs and colors**, which have reflected the fashion of the last 50 years, in addition to the creation of new prints, gave rise to the project of the brand.

## IDENTITY AS A TRUST ASSET

### Mission

Introduce Silk in daily life, as for instance in the use of fashion accessories which will stand out because of its typological diversification.

### Vision

Create a transnational design with Italian roots.

### Reason Why

Manufacturing of 100% Made in Italy accessories in top of the range quality Silk

Use of STRUCTURED silk in everyday activities by making it more resistant but without losing the airiness which is its essential and characteristic feature

Relaunching the local artisanal production

Use of each and every article in terms of functionality AS A REAL ADDED VALUE of the product
