

A woman with long brown hair is shown in profile, looking upwards and to the left. She is wearing a brown silk shirt with a small, repeating geometric pattern and blue jeans. Her hands are in her pockets. The background is a weathered, rusty metal wall with visible rivets. The lighting is warm and directional, coming from the left, creating strong highlights and shadows.

EMA-BIA

EMA-BIA is a new Italian brand that was born in 2018 from a project related to the **use of silk** of the **family company** based in Como, present in the field of production of silk fabrics for over 40 years in particular, has developed **designs** and experiences in the **printing of natural fabrics** that have generated a **unique and articulated know-how**.

The presence of a vast archive of **silks** of various types of the highest quality with **infinite variations of designs and colors**, which have reflected the fashion of the last 50 years, in addition to the creation of new prints, gave rise to the project of the brand.

IDENTITY AS A TRUST ASSET

Mission

Introduce Silk in daily life, as for instance in the use of fashion accessories which will stand out because of its typological diversification.

Vision

Create a transnational design with Italian roots.

Reason Why

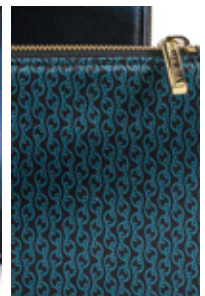

Manufacturing of 100% Made in Italy accessories in top of the range quality Silk

Use of STRUCTURED silk in everyday activities by making it more resistant but without losing the airiness which is its essential and characteristic feature

Relaunching the local artisanal production

Use of each and every article in terms of functionality AS A REAL ADDED VALUE of the product

B2B COLLECTIONS

In 2022, **EMA-BIA** launches the new **Silky Collections** for **B2B**, creating three new models with a minimal and chic design, conceived to cover the various needs of the day, combined with shirts designed in line with the same collection for an immediate outfit. Bags entirely handmade in Italy by expert craftsmen, in 100% Silk and selected leathers.

The background of the entire image is a close-up photograph of a textured, orange-colored surface, possibly a piece of leather or a similar material. The texture is characterized by numerous small, raised, circular bumps or rivets arranged in a somewhat regular pattern. On the right side of the image, there is a dark, shadowed area that appears to be the edge of the material or a deep crevice, creating a strong contrast with the bright orange surface.
